### Beginning the Conversation on Mental Health & Suicide | Today

Every person has a name, every name has a story, and every story matters to God, but what happens when we feel like our story doesn't matter anymore? Over the last year and a half our youth have experienced all kinds of challenges that have led to a staggering number of teens struggling with mental health and suicide. Today at 4:00 pm in the Commons, RL Student Life would like to invite our parents and youth staff to come to an open dialogue led by Sarah Austin, a licensed counselor, that will be addressing the thoughts, questions, and concerns that we have often left unsaid.
