**Message: Come Back and See**

---

Mark 11:8-10 | Luke 19:37-42 | Luke 15:11-32

What do you see?

I see, but I want things my way.

The Father comes to us as we are.

No half measures with God, only full restoration.

Notes:

Restoration leads to celebration.

Don't be deceived. A person can be far away and still be home.

Jesus wants you to see clearly the heart of the Father for you.

Come and see who He is.
