A collaboration

- Farmer
- The Seed
- The Dirt (we are formed from dirt)

The Farmer's intent: a huge harvest.

I am the caretaker of the soil of my life.

*The Problem: Rocks hinder roots.*

The Rocks:

- Grudges, hurt, and resentment.
- Busyness
- Distrust

Getting rid of rocks...

- Learn it, link it, live it.
- Do the next right thing.

*The Cost: Remember the farmer's intent: A Huge Harvest.*
