

Message: A Lifestyle of Praise

---

Psalm 146

A life of praise focuses on the eternal, not the temporary.

A life of gratitude continues my Father's work.

- Gratitude builds my awareness of God.
- My awareness of God builds my trust in God.
- My trust in God builds my obedience to God.
- My obedience to God increases generosity.
- My generosity increases my gratitude.

Salvation changes both our destination and vocation.

*In light of what I have learned today, what do I need to do to obey God?*
