

Message: Generosity

---

Matthew 9:19-21 | Luke 21:1-4 | Matthew 25:14-19 | Acts 4:32-33 | Acts 6

What do you do with the fruits of your labor? (Money)

How do we live as a pursuer of Jesus in a consumer world?

- A consumption first life leaves me consumed.
- A kingdom first life leaves me content.

Giving is about money following your heart.

Generosity is about your heart following your money.

- Giving is about feeling good in your heart.
- Generosity is about growing the size of your heart.

How do I grow irresistible generosity?

- Irresistible generosity is trust focused, proportion based, intentionally sacrificed, and unified in purpose.
