John 1:14, 17; 8:32; 14:6 | Acts 15:5-14; 19 | Luke 22:19-20

How do you live irresistibly as a follower of Jesus in the tense moments in life?

Q: How does Jesus always know how to handle these moments of tension to inspire people?

A: *Jesus looked through the lens of all grace and all truth.*

Jesus focused on what God had done.

It's not fair to see someone with grace and truth,
it's transformational.

Our cultures bias towards what people deserve makes Jesus' grace and truth approach shocking and irresistible.

What does all grace and truth look like in a church?

We are about transformed lives through Jesus.

All grace and all truth is only possible in Jesus.

The messiness of grace and truth is how you build a story people want to share.
