Generosity is worship

1. Starts With Stewardship
2. Am I Obedient?
3. I Am Generous
4. Sacrifice

Giving is what we do. Generous is who we are.

The overflow is worship.

*Prayer:*

Heavenly Father, we thank You for Your faithfulness. We trust You and know that You will always provide for our needs. You are our generous and abundant God who has given us so much. Today we give You a portion of what You have given us as an offering, worshiping You with all our heart, soul, mind, and strength.

Please take and use this act of worship for Your kingdom and Your glory. Extend and multiply its reach so that it will help many experience a real and growing relationship with Your Son and His church.

We ask all of this in the powerful name of Jesus, Amen.
