Jesus invites us to know that is eternal:

- Faith – Calms fears which we unlearn and feeds the soul.

- Hope – Multiplies joy and inspires the mind.

- Love – Transforms life and brings meaning to the body.

What is our response? How do we live out following Jesus?

- Praise and Worship – Dance and sing! This is a preview of Heaven.

- Share and Serve – We have been blessed to bless.

- Taste and See – Slow down. Experience the awe and wonder of life.
