

Message: How Things Fall Apart

Romans 1:15-32; 2:1-16 | 1 Timothy 1:12-15

Two important words: Gospel and Faith

How things go wrong:

- Did not worship God.

- Did not give God thanks.

Result: Mind becomes dark and confused.

- Ignore God (1:21)

- Redefine God (1:22-23)

- Set aside restraints (1:24-31)

- Promote and celebrate sin (1:32)

This isn't a list to show us why everyone else needs Jesus.
It is meant to show us why we need Jesus.

Why the Gospel is such good news.
