My God Story

The ongoing work, what I am supposed to do:

- Encourage the church family to contribute in the faith.
- Prepare my mind for opposition.
- Prepare my heart for winning people.
- Prayer and fasting for my leaders – trusting them into the Lord's care.

My Response:

I Choose to receive the Gospel of Jesus into my Life. I am filled with the Holy Spirit and led by the Holy Spirit. As opposition comes, I will firmly keep my eyes on Jesus and maintain a responsive heart by walking daily in the truth of his word. I will give all praise to God for the good he will do through me.
