

Acts 1 and 2

A New Pattern

Belonging

Why does it matter?

*Because Isolation and loneliness cause great harm.*

The blessing of belonging to God's family.

The responsibilities of belonging to God's family:

- Get along with your brothers and sisters.
- Look out for each other.
- Take care of each other.
- Show mercy to each other.

You are created for something greater than yourself.

It takes effort, intentionality, initiative, inconvenience, and lots of grace!

You need it, you deserve it, Belong!
